Sir,

With reference to your letter No AS 2444/45 dt 6-11-46 forwarding for sanction the draft Byelaws framed by the Mysore town mtl cl for the registration of Vehicles in the mcty, I am directed to request you to furnish information on the following points —

(1) Whether Vehicle tax is levied in the Mysore town mcty under Section 61(11) of the Mysore Town Mcties Act 1933 and if so, at what rate?

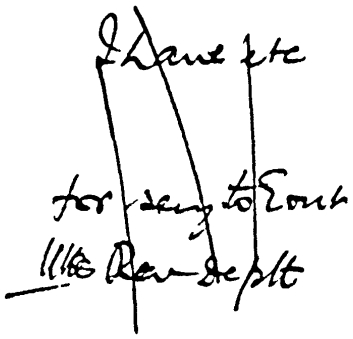
(2) Is the levy of registration fee now proposed ~~in addition~~ made (vide statement enclosed to your letter) in addition to the Vehicle tax already in force or is it a separate one?

Why it being levied when it was a municipality at what rate?

WD 02745—GPB—25 000—24 6 46

/

I am to add that no levy of fees
for registration of Vehicles separately
is made under the Act



It is presumed that the
duties collected will be
in addition to that
ordinarily imposed
Vehicle tax. This is
by the Municipality
different from Registration of
Vehicles for which such
a rule suggested
further if it is
intended to levy the
Vehicle tax, the
Secy refers to the
users as given
in Schedule VII
of the Motor Vehicles Act 1933
which should be adopted,
with the only change
recommended
Separate registration may
be kept if required with
advantage after Secy
has prescribed distinctive colour
for the Secy Vehicle by
publishing rules or fresh registration
& numbering Vehicles in
series by publishing
by-laws under
effective powers
of the D.M Act

Dated Bangalore, 20th November 1946

FROM

The Secretary to the Government of His Highness the Maharaja of Mysore

To

The Deputy Commissioner, Mandya District

Sir,

With reference to your letter No. A5 2444/45 dated 6th November 1946 forwarding for sanction the draft Bye-laws framed by the Maddur town municipal council for the registration of vehicles in the municipality, I am directed to request you to furnish information on the following points -

1) Whether vehicle tax is levied in the Maddur town municipality under Section 61 (ii) of the Mysore Town Municipalities Act 1933 and, if so, at what rate? Was it being levied when it was a minor Municipality and if so, at what rate?

2) Is the levy of registration fee now proposed (vide statement enclosed to your letter) in addition to the vehicle tax already in force or is it a separate one?

I am to add that no levy of fees for registration of vehicles separately is made under the Act

It is seen from the Notification dated 25th August 1946 published in the Municipality that it is intended to impose vehicle tax This is different from the bylaws for numbering and registration of vehicles for which sanction is now sought Further if it is intended to levy the vehicle tax, the form of notice to be used is given in Schedule VII of the Mysore Town Municipalities Act 1933 which should be adopted with the rules duly promulgated

Definite information may be kindly furnished on the above points after observing the prescribed formalities either for the levy of vehicle tax by publishing rules or for the registration and numbering of vehicles in the Municipality by publishing bylaws under the respective provisions of the Town Municipalities Act.
